

2021 Annual Report

Letter of Appreciation—Timeline of Generosity

Members and supporters of Mahoosuc Land Trust did so much in 2021!

April 4th. Led by an inspired volunteer committee and supported by nearly 100 individual donors, MLT permanently conserved the 880-acre Shelburne Riverlands in Shelburne, NH. The Riverlands includes over 30 islands and 9 main-land parcels located along an 8.7-mile stretch of the Androscoggin River.

April 8th. Donations from fifty friends and family of Ken Hotopp create the Ken Hotopp Wildlands Fund at MLT. Ken was a conservation biologist, an outdoorsman, a committed MLT board member, and a passionate advocate that lands be left in their natural state. Ken wanted future generations to stand in a forest and feel the vitality of a genuinely wild ecosystem. MLT is now identifying properties that fit these goals.

May 15th. The work of volunteer birding team members, including James Reddoch, Mac Davis, Bob O'Brien, Lesley Rowse, and artist-in-residence Becca Hoskins, makes possible the Valentine Bird Trail. The 25 life-like images of birds commonly found at Valentine Farm were created by Becca and placed in appropriate habitats. A free trail guide helps you identify and learn about birds at your own pace.

August 15th. Thanks to the work of dozens of volunteers, the first Monarch Festival is a grand success. Over 350 people from all over the state and as far away as Germany and Dubai enjoyed the lectures, birdwalks, family activities, and tagging monarch butterflies, the stars of the show. ***The 2022 festival is Sunday, August 15th.***

November 11. Richard Stratton and Sandra Francis donate a conservation easement to Mahoosuc Land Trust (MLT's 12th), permanently protecting 13 acres along the Androscoggin River in Hanover. "Stratton Meadow" includes an 8+ acre field currently farmed for hay, contains more than 1500 feet of river frontage, and is adjacent to MLT's Moran Landing boat launch site.

December 15th. Longtime MLT members, Larry Stifler and Mary McFadden, grant a generous bargain sale conservation easement to MLT on 12,300 acres stretching from Albany Township to Norway. Over a year, they work tirelessly with MLT, Sebago Clean Waters, Western Foothills Land Trust and Inland Woods + Trails, and others to ensure clean drinking water for hundreds of thousands, miles of recreational trails, and extensive critical wildlife habitat.

Yes, the staff works hard, but it is you who make the magic happen!

A handwritten signature in blue ink, which appears to read "Kirk".

Kirk Siegel
Executive Director

Thank you to our generous supporters, each and every one of you!

Mahoosuc Land Trust is deeply grateful to the individuals, foundations, businesses, and public agencies that invested in our work in 2021. Your financial support allowed us to conserve over 13,000 acres, host our first Monarch Festival, and launch the Buck's Ledge Community Forest campaign. A special thanks to our **new members**.
